About me:

I'm a passionate, learning oriented problem solver, who studies software engineering at Hive Helsinki and feels ready to take the first step into the tech industry. For me, being thrown in the deep end isn't unfamiliar in the least, so why not give it a go and see how far I'll swim?

Work Experience

Jan 2024 - Ongoing

Hexagon -Student Association, Hive Helsinki - *Event Coordinator*

- Work alongside the heads of Internal and external affairs, as well as other board members, enhancing my teamwork, communication, listening and problem solving skills.
- Coordinated with board members and student volunteers to ensure smooth operations and high-value events for the whole student body.

Sep 2022 - Feb 2023

Cafe lasipalatsi, Helsinki - *Cafe Worker*

- Enhanced my general customer service and communication skills.
- Monitored the cafe's food quality and appearance to ensure it met health and safety standards.
- Maintained cleanliness and organization of the café and dining area.
- Stocked shelves and coolers with food and beverage items, ensuring shelves were always full and well-presented.

Sep 2017 - Mar 2020

Nuorten ääni -toimitus, Helsinki - *Journalist and photographer*

- Produced a series of news stories that gave readers a glimpse into how youth thinks and what matters to them, enhancing my time management and organizational skills.
- Collaborated together with a number of different kinds of teams to convey our thoughts to the general public through different forms of media, enhancing my teamwork, communication and leadership skills.
